If you're applying for JVZOO products below, use this template to increase your chances of approval:

The screenshot shows the 'Request Permission' form on the JVZOO platform. At the top, a banner states: 'Our release date is 04/17/2025 at 11:00, become an Affiliate and start promoting today!'. Below this, the 'Request' tab is selected, with other tabs being 'Integrations', 'Bonuses', and 'Vendor Profile'. The form title is 'Request Permission', followed by instructions: 'Fill out the following form to request permission to promote this product, please include information on how are you planning to promote the product and any necessary info for the seller'. A large text input field labeled 'Enter Message' contains the text 'MESSAGE TO VENDOR' in red, bold, all-caps letters. A red arrow points from the top of this field to the 'Request Approval' button. Below the message field, there are two checkboxes: 'I'm not a robot' (with a reCAPTCHA logo) and 'I have read and followed any instructions in the vendor's message above.' The 'Request Approval' button is orange and located at the bottom right of the form. A small '5' is visible at the end of the message input field.
